Mas 2310 La Colle-sur-Loup

GLUE ON WOLF. ROQUEFORT road. This traditional single-storey stone farmhouse was built and furnished with particular care in the greatest regional tradition with local materials (Sine stone, Roman tiles). It develops around 200m² and its well-distributed volumes offer the most comfortable living as a couple or as a family. It was created by its owners and this gives it an undeniable uniqueness. Its services and its decoration classify it in a luxury category (underfloor heating, central vacuum, cold room with wine cellar, laundry room, air conditioning automatic watering, carport and small independent annex, automatic gate). The garden of over 4,000m² is flat, fully enclosed and has valid planning permission for a 15m x 5 swimming pool. This farmhouse is located in a rural area on the edge of the Loup, in absolute calm and does not suffer from any vis-à-vis. The village shops are 1.5km away and NICE airport 10 minutes away.
